To whom it may concern:

Through this letter, I would like to share that during the 4 years we studied together at Gerardo Barrios University, I had the opportunity to get to know and work with **Mónica Lisbeth Campos Trejo**.

Throughout this time, Mónica has always shown herself to be responsible, committed, and positive. In the assignments and projects we worked on together, she proved to be organized, collaborative, and always willing to support her peers. Her teamwork skills and dedication are qualities that truly stand out.

I am confident that these qualities will help her perform well in any environment she chooses to be part of.
