To whom it may concern:

I would like to express that I have had the opportunity to work and collaborate with **Mónica Lisbeth Campos Trejo** during our time at Gerardo Barrios University.

Throughout this period, Mónica has proven to be a serious, dedicated person with a consistently positive attitude. In the projects and activities we participated in together, she always showed commitment, good organization, and a strong willingness to support her classmates.

I am confident that these qualities will allow her to succeed in any project or field she chooses to pursue.

**Sincerely,**

Edwin Emerson López
